CASE NO.: 2:16-cv-242-GJD-MV

v.

Joseph Damron, et al
Defendants

Plaintiff Rose Notice To Both District
Judges Gordon J. Quist And HALA Jarbou

On 7-7-21 I wrote a letter to both Judges.
I Am respectfully Asking that if the Court finds
merit to the submitted objections and the additional
objections that are coming to the 6-28-21 Hearing
that I received on 7-6-21, I Am respectfully
Asking that the Court please to please order trial
within 60 days because I want to close this case
out. I only ask for extension to access witnesses
and documents that I am being denied. I AM
NOT UNREASONABLY trying to delay. IF the
Court Grant extension please don't make Trial
A very long time Away.

I'm told my new objections will be done tomorrow
on Friday.

Respectfully Submitted
